CLASS DESCRIPTIONS

Twinkle Babies Dance™ Ages 2.5-3.5

Twinkle Babies™ dance class is a 27-minute introductory dance class that is unique and important in the dance industry. The secret to the class is that it is structured **and** fun! It contains ballet, tap and creative movement. Young dancers learn the basic steps while learning how to follow direction and imitate movement in a positive environment. Engaging music is used to get these little dancers inspired to dance. The use of props such as "dancing bears" and wands enable the young dancers to use their imagination, creativity and, most of all, have fun! Students must be at least 2.5 to enroll.
